

Westburn Publishers Ltd
Terms and Conditions of Access Licence

Institutional subscribers to Westburn Publishers Ltd journals are required to abide by the Terms and Conditions detailed in this Licence.

An Institutional Subscription authorises use based at a site under the control of a single administrative body. For example, two University Campuses in one town which are administered by the same Institution would be one site. Another campus which is administered separately, for example an International affiliated campus, would be a separate site.

Academic Institutions or non-Academic organisations based at multiple sites, and membership organisations and societies with users based at multiple sites should contact the publisher for a multi-site subscription and licence.
